Macarthur Disability Services Skills Clinic

Recently footy fever took control of Macarthur Disability Services at the Narellan Sport Alive complex. The first Footy skills day was an absolute winner that included people with a disability playing football skills and completing drills with the help of NRL Players Shannon Wakeman and Clifford Morris from St George from St George and Ryan Verlinden from the Cronulla Sharks. Jake Brightwell and Scott Borg from the CRL and ARL Development team helped ensure everyone had an opportunity to be involved, and the highlight of the day was the great Mario "Falcon" Fenech. The players went out of their way to make the day the very special and it is a tribute to the professionalism of these new era players that impressed the MDS staff and eager fans. Mario was such a role model and really should be congratulated on his work with the younger players through the One Community program. All the guys posed for photos and signed autographs, "It wasn't a flying visit from the "stars" that you often get" commented MDS Marketing and Events Steve Wisbey "these guys committed time and effort in creating a wonderful day for MDS. Mario was such a great ambassador for the league and we cannot thank him enough for his support. He even enjoyed a BBQ lunch with everyone!" MDS congratulates staff members Tammy and Lisa for all their hard work and organisation and we praise the enthusiasm of Jake and Scott leading the team. Many thanks also to the individual football players that took the time to come out and share a great day with us. Steve Wisbey Macarthur Disability
