GROUP 3 DIGGERS V WESTERN SUBURBS ROSELLAS

Group 3 Diggers will take on Newcastle Premiers the Western Suburbs Rosella's in a trial on Harry Elliott Oval at the North Tuncurry Sporting Complex this Saturday the 7th March.

The Group 3 squad will play West's in 3 games, with the Under 18's to play West's Under 19 team in a game that will test a young Group side.

Group 3's senior squad will split into two teams, one squad will play West's reserve grade team while the other will play West's first grade team.

West's are expected to play a near full strength team against Group 3 and are looking to use this match as a opportunity for several new players to the club to show their talents.

Group 3 on the other hand know that there is a challenge in front of them as West's are regarded as the strongest, most successful Club in the NSW Country Rugby League.

Group 3's coach David Henry said "It's not the result that I'm interested in, more the effort and commitment from our players, if we can aim up against West's then we can be confident that when it comes to our own representative program we will be able to hold our own against Groups 2 and 4 when we play them in early April."

"I have been very impressed with all of our players, the way that they have committed to representative football, their attitude to training, the way that they have come together as a squad has been remarkable."

"I am really excited for the younger players in our squad, their first taste of senior representative football, just watching them at training, the way that they have interacted with the more senior players, the way that some are prepared to take charge, what's even better is the amount of mutual respect that flows between the younger and the older more experienced players, and I expect that the young guns will demand selection in the final group squad."

Cobar JRL thank Community Carnival Organisers

On behalf of the Cobar Junior Rugby League Committee, Players and the Community I would like to say a huge thankyou for bringing the Community Carnival to Cobar.

The skills session was a great success as was the coinciding registration with that, we registered lots of new players and from this we are now able to enter a 4th team into the Dubbo District JRL Group 11 competition for 2009. We have never had a response at registration like we had with the NRL players in attendance. This would be a great thing to happen every season to keep Junior Rugby league alive in the bush.

The 'Meet n Greet' and Auction night was a huge success with almost \$5000.00 Raised from the night – what a great way to start the season and it will go towards a deposit to the payment of buses for the season. Again, thankyou for bringing the Community Carnival to Cobar and we look forward to CRL continued support out here in the bush.

Club Marquee Offer

3m x 3m fr \$450 + gst
