High School Gala Day Returns After 25 Year Absence

The Country Rugby League hosted their first Gala day for High schools clustered around Cobar in the open age division. Schools in attendance included Cobar, Nyngan, Bourke and Broken Hill. The highlight of the day was the inclusion of combined team from Broken Hill comprising students from Broken Hill High and Willyama High. With the support of the teachers, students and the C.R.L. Development Officer based in Broken Hill, Ken Kennedy, we have now witnessed the return of Broken Hill High and Willyama High to mainstream schoolboy rugby league after a 25 year absence.

A highlight of the day was how competitive the Broken Hill boys were when you take into consideration that seven of the squad were playing their first game of rugby league. Their results included a win over Bourke, a draw with Nyngan and a loss to Cobar.

As a result of the excellent feedback from the day, Regional Development Manager, Steve McLellan has stated that it will now be part of the regional calendar with the aim at encouraging Condobolin and Lake Cargelligo to join and ultimately Broken Hill and Willyama to form their own teams.

The participating schools on the day have now been invited to reciprocate and travel to Broken Hill for a gala day and at the time of writing this looks quite promising with everyone impressed by the commitment of the Broken Hill squad they were on a bus at 3:30am in the morning and returned home at 11:00pm.
